Best Practices I

1. Title of the Practice

“Promotion of Environmental Consciousness”.

2. Objectives of the Practice

To preserve a healthy environment for students and all staffs.

3. The Context

It is novel attempt on behalf of the college to create a healthy environment through plantation and cleanliness approach from the society. The idea behind creating such an environment is to minimize the pollution issues under the campus.

4. The Practice

All the stake holders of the Mahant Laxminarayan Das College are committed towards the Vision of the college. The Solar Energy Plant at Mahant Laxminarayan Das College, installed in 2018, has tremendously reduced the usage of electricity from Chhattisgarh State Electricity Board. It bears at least 70 percent of the energy demands in the college. The energy efficient tub lights and fans installed in different rooms in the campus.

5. Evidence of Success

Rain Water harvesting system installed in college campus. It is helpful in conserving rain water with its help the ground water level can be balanced. There is an E-waste management system also in college and Solar Energy Plant installed in the college roof.

6. Problems Encountered and Resources Required

It is a challenge to sustain the natural environment and our plant resources at the same time mainly during academic session.
