Action Taken Report

On the basis of feedback analysis from students, teachers and alumni we have made the following decisions for students.

- We made the decision to reschedule the timing of issuing books for each student according to their class time on the basis of feedback analysis regarding the timeliness of library book issue for students.
- To meet student demand for Wi-Fi service, the institute decided to expand the package with high network speed.
- We have outfitted the covered campus with a setting with better security during the submission of examination forms based on feedback about office staff for different exam document related services.
