### About Raipur:

Raipur was founded by the Kalchuri King Ram Chandra in the last quarter of the 14th century AD. Now, Raipur is the Capital and Headquarters of the District and Division of the same name centrally located in the newly formed State Chhattisgarh. Raipur is the biggest city of the Region and a fast developing important industrial, commercial and educational hub.

### About College:

The Co-Education College was established in 24th October 1997 with an initial strength of 100 students. The college is named after Mahant Laxminarayan Das, an eminent freedom fighter and philanthropist of Chhattisgarh. The College was founded by its parent body Shiksha Pracharak Samiti in Raipur. The college is affiliated with two esteemed universities - Pt. Ravishankar Shukla University, Raipur and Kushabhau Thakre Patrakarita Avam Jansanchar Vishwavidyalaya, Raipur, Chhattisgarh. The college presently offers more than 15 academic and professional programs under the faculty of Arts, Commerce, Management, Computer, Yoga and Journalism. The College is situated in the heart of the city, just 3 KM from ISBT & Railway Station and 9KM from Raipur Airport. The college continuously organizes academic program like national seminar and conferences to enhance the learning experiences. The college is recognized under 2F & 12B and has successfully been accredited with Grade 'B' by NAAC in 2024 carving a niche for itself as one of the prestigious colleges in the entire state of Chhattisgarh.

### About the Seminar:

The objective of the national seminar on "Viksit Bharat 2047: Leveraging Technology for Economic Growth and Sustainable Development" is to bring together policymakers, academicians, industry experts, researchers and students to deliberate on the transformative role of technology in shaping India's journey towards becoming a developed nation by 2047. The seminar aims to explore strategic areas such as Digital Infrastructure, Financial Technology, Industry 4.0, Smart Agriculture, Urban Development, Education, Innovation and e-Governance. By fostering dialogue and knowledge exchange, the seminar seeks to:

- Highlight the significance of digital infrastructure in accelerating economic growth and inclusivity.
- Examine the role of fintech in promoting financial inclusion and economic empowerment.
- Assess the potential of Industry 4.0 technologies in revolutionizing India's manufacturing sector.
- Explore technological solutions for enhancing agricultural productivity and food security.
- Discuss smart city initiatives for sustainable urban living and efficient public services.
- Address the urgent need for upskilling and reskilling to prepare India's workforce for the future.
- Promote innovation and entrepreneurship as key drivers of a sustainable and knowledge-based economy.
- Encourage the adoption of e-governance and digital public services for transparent and citizen-centric governance.
